

Palma+

Constantly evolving
to maximise profits

AZKOYEN®

Conceived to increase your profits

The Palma+ range combines well established reliability and high performance with a competitive price helping you increase your operational vending profits.

Increase your impulse sales

An elegant design to attract consumers and an outstanding product visibility to increase sales.

- Optimised **LED** lighting to improve visibility.
- **Clear material dividers** to enhance product presentation and encourage impulse purchases.
- **Stock out alternative mode** to avoid empty channels.
- **Direct selection buttons** can be freely assigned to products with higher margin. Available in Palma+ H87 models equipped with the XtraDrinks channel.

Widen your product offering

Palma+ has been designed to sell all types of products, with or without refrigeration, on a small and large scale. Increase the higher margin product offering through:

- Easily **configurable and adjustable trays** that allow for the simple configuration of product channel widths, enabling the dispensing of different size products.
- **Simultaneous dual motor** operation to dispense larger products.
- **Non-refrigerated models** of Palma+ Hz which can vend a variety of products such as personal protective equipment, para-pharmacy etc.
- **1 or 2 temperature** product zones . Adjustable down to 3°C in Palma+ H models.
- **Programmable expiry date** control on perishable products and **sanitary temperature control** system by tray.

Increase the capacity with the XtraDrinks channel

Capacity is a key factor in the profitability of a vending service business. The equipment has been designed to provide one of the best unit dimension/product capacity ratio in the market. The new XtraDrinks channel available in Palma+H87 models, situated behind the payment module, increases further the capacity of the equipment.

- **Increase the capacity** of drinks: **54 bottles or cans**.
- **Free space** in the machine to offer **higher margin** products.
- 2 models: Palma+ H87 **XtraBottles** and Palma+ H87 **XtraCans**.

Reduce operational costs

Our aim is to **reduce the time** you spend **re-stocking and maintaining** each machine, and to achieve this we have provided the following features:

- **Fully removable** trays with door open at 90°.
- **Folding upper trays** to aid loading.
- Trays with **no sharp edges** or points for the security of the filler.
- Fast and easy programming and set-up (shelves, prices, special functions...).
- Payment module set up for EXE and MDB protocols.
- EVA-DTS accounting.
- Equipment designed for **70 cm doors clearance**.

Reduce costs related to vandalism and stock shrinkage

Palma+ is a reliable and sturdy machine:

- **Triple glazed** front panel in Palma+ H models for maximum security.
- **Galvanized steel** body.
- **Anti-pry** surround and steel selection buttons.
- Guaranteed vend system **I-Detect** reduces vandalism and offers assurance to the end user.

Environmentally friendly

Respect for the environment was a key factor when designing the Palma+ range. An A+ energy efficiency rating has been awarded in acknowledgement of our efforts to improve thermal insulation and the use of LED lighting. These offerings not only **reduce the electricity costs** of your current clients but will enable **access** to bigger **institutional tenders** that demand A+ vending machines.
